

## Parish of Walls, Orkney. Kirk Session Minutes. Communion Roll 1866-1883. CH2/1105/3

Transcribed from copies on Virtual Volumes at National Records of Scotland, Edinburgh and Scottish Documents at Stirling Archives, Stirling.  
Also available at Orkney Library & Archive - OCR28

### **pp2-5 Communicants in parish of Walls for years 1882, 1883**

List begins at at p117 in volume 3 of Walls & Flotta Kirk Session Minutes (CH2/1105 at NRS).

Districts in South Walls are listed first but only North Walls and Brims districts are transcribed here; the others may be added in future.

Areas in the very north of the parish (Rinnigill, Ore, Lyness, Rysa) are hardly represented at all. It seems unlikely that there were no church goers there.

Headings and ID number (for sorting and reference purposes) are my additions. Notes detail amendments and annotations in the original document, or explanations [in square brackets]

Many people are listed in their family groups

Women are listed with married and maiden name ('ms' or 'or'), married name (eg Helen Nicolson, Brims) only or maiden name only

(eg Margaret Maxwell, Saltness - she was a widow by this time but really Mrs Sutherland )

Junr and Senr (junior and senior) - do not always indicate father and son or mother and daughter but are a way of distinguishing between two of the same name.

### **pp6-9 Same list but in alphabetic order by surname.**

Where the address was indicated by "(ditto) in the original, it is in a coloured box in this version.

### **p10 Communicants for first time in Walls, 1883**

List transcribed in full as it is very short; includes several South Walls names.
